## THINKING ABOUT COLLEGE?

We know how this usually goes.

Students look for great housing, exciting athletics, and fun organizations. Parents look for affordability, preparation for career success, and a safe, nurturing environment.

You'll find it all at The University of Tennessee at Chattanooga.

Caring, dedicated teaching scholars offer students the real world education needed to prepare for career success.

You'll find more than 100 student organizations. All of our housing is either suites or apartments.

*U.S. News and World Report* calls UTC a Best Value university.
